

virginia's gateway region

economic development organization

Virginia's Gateway Region is an effective, non-profit economic development organization whose purpose is to facilitate the creation of jobs and investment. Serving the southern half of the Richmond – Petersburg metropolitan area, we strive to attract exceptional companies who will offer high paying, sustainable jobs which in turn will offer a better quality of life to the residents in our region. Our staff works on a confidential basis, at no cost, to assist in every aspect of choosing a business location, ensuring timely responses and quick follow-through.

VGR offers a wide variety of incentive programs to assist businesses moving to, or expanding within, the Gateway Region. These programs include: funds to assist with the expansion of the road and rail infrastructure, financial assistance for workforce training, tax incentives and the availability of general funding.

Please contact us for further information regarding the services we offer and to find out how you can invest in the future of our region. Virginia's Gateway Region is only effective through the partnerships we share with individuals and groups in the region and we would encourage you to become one of our partners as we work towards a prosperous future!
